

WHAT'S...

PROP 21

Prop 21 allows local governments to establish rent control on residential properties over 15-years-old. Rent increases would be limited to up to 15% over three years for new renters, plus any increase allowed by local law. Restrictions would not apply to single-family homes owned by people with two or fewer properties.

SO IF YOU...

VOTE YES?

A "yes" vote supports State law allowing cities and counties to enact rent control on housing that is over 15-years old.

SO IF YOU...

VOTE NO?

A "no" vote supports State law continuing to maintain current limits on rent control laws that cities and counties can apply.
